

EssentialCare®

Group Accident Indemnity Insurance

Help your clients solve for gaps in their healthcare plans

EssentialCare Group Accident Indemnity

EssentialCare Group Accident Indemnity pays a lump-sum benefit when an insured or a covered dependent has a covered accident or injury. Payments can be used to pay for major medical copays and deductibles, or additional expenses like transportation, child care, and more to help fill gaps in employees' healthcare coverage.

Why EssentialCare Group Accident Indemnity?

Expansive benefit offerings cover a wide range of accident and injuries, plus support service coverages including wellness, dependent adult and child care, and telemedicine*

Modular, adaptable plan designs can be tailored to complement client need and underlying major medical coverage

All EssentialCare policies are easy to quote and easy to administer, thanks to a simple RFQ process, and best-in-class administration and claims adjudication

It's no wonder why ancillary coverage is a growing industry
